CIC Gold Group Limited

The Company's strategy is to make acquisitions in undervalued gold properties where gold is the principal commodity or gold mining is the principal activity, held by quoted and private companies with strong underlying fundamentals suitable of producing substantial increases in value by funding and applying de-risking strategies and other corporate actions.

The fundamentals that the Company will seek are acquisitions in gold mineral assets that are located in known major gold regions, close to major producing mines and have strong technical evidence of major gold potential.
